

ROLLER BANNER ASSEMBLY GUIDE

Assemble your Roller Banner in six easy steps.

Step 1.

Unzip carry case **(1a)**, remove banner base **(1b)** and pole **(1c)** - located on the within base.

Step 2.

Lay base **(2a)** face down, turn support feet **(2b)** 90 degrees. Flip over to stand upright **(2c)**.

Step 3.

Unfold **(3a)** and slot pole pieces together **(3a)** to make one rigid pole.

Step 4.

Insert pole into base hole **(4a)** ensuring it reaches the bottom of the base **(4b)**.

Step 5.

Place both feet onto base support **(5a)** and use both hands to slowly pull graphic from the base **(5b)**.

Step 6.

Attach the pole onto upper support rail **(6a)** and display **(6b)**. To disassemble, simply reverse these steps.
